music by Morbid Death
lyric by Ricardo Santos

Walking on the wild side
With my eyes unfold
Very close to the edge
My legs shake constantly

The better thing that I'll do
Is go straight ahead
Face with no fear
To all that could appear

I'll choose the way
It's my decision
I want to choose the best
So I can't be an illusion
My life, my pain
I have to support it
My life, my gain
I have to deserve it

Keep on going
Trust in what you believe
Don't let the others
laugh in your face
I have to be strong and not weak

My life, my pain
I have to support it
My life, my gain
I have to deserve it
My life, its my life
