Questions are never answered  
Glances you'll always miss  
Too ready to push and pamper  
You just took the glory  
You thought you stole my thunder  
I had to snatch it back  
You failed to take me under  
I hit the bottom and bounced right back  
Oh what can happen now  
I won't cave in,  
My heart will open out  
With love

Caught in a struggle  
Goodness, i've tried  
You're such a puzzle  
I guess, God bless and goodbye

This aint a proposition  
Can you clear out your desk  
Someone in my position  
I'd rather take a risk  
Oh what can happen now?  
I won't cave in  
My heart will open out,  
With love

Caught in a struggle  
Goodness, i've tried  
You're such a puzzle  
I guess, God bless and goodbye

In a struggle  
Goodness, i've tried  
You're such a puzzle  
I guess, God bless and goodbye

Caught in a struggle  
Goodness, i've tried  
You're such a puzzle  
I guess, God bless and goodbye

In a struggle  
Goodness, i've tried  
You're such a puzzle  
I guess, God bless and goodbye

I guess, God bless ang goodbye  
I guess, God bless and goodbye  
I guess, God bless and Goodbye
