In the face of eternity

Just rephrasing  
And erasing  
Just rephrasing and erasing  
My words

Ceased aging  
Infinite aching  
Ceased aging and  
Infinite aching

TRUTH IS MADNESS AND MADNESS IS FEAR

She holds me in her lap on a walk with lonely tears

Just rephrasing  
And erasing  
Just rephrasing and erasing  
My words

Ceased aging  
Infinite aching  
Ceased aging and  
Infinite aching

TRUTH IS MADNESS AND MADNESS IS FEAR

She holds me in her lap on a walk with golden tears  
Beliefs are just notes in a memory  
In wisdom's embrace I'd lie  
Again and again  
And I just don't know why

I will wage my war with your heart  
I will wage this war with your heart

There's no need to argue anymore
