

## Morda

### "Remains"

Visit "[Remains](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Watch the opaque sky

And adopt colors

Cling to the frayed stings

TAKE THIS AND NO OTHER

Engraving wishes in my heart

Until DEATH WILL DO US APART

Decaying wishes fall apart

I ALONE is what remains

Cold, inevitable -- hunting me down

CRAWLING AWAY FROM THE LIGHT OF DAY

Cold, inevitable -- make me strong

Walking my life, walking this strife

Now choke all candles

AND SWALLOW ME

'Cause nothing else could be
