Again and again  
I languish in vain

My mind made my heart a prison of feelings  
HAPPINESS is stuffing between two disappointments  
I need your problems, I need that sacrifice  
I need to accept the thing that I am MY FEAR IS LIFE

Life is suffering - A heart lost the fight  
But I neutralize this sentence  
Then everything can be no more than our dance - Then  
at once  
Because of you - Everything will lose it's relevance

CALL ME SMART  
CALL ME DIAMOND

When object of desire  
Resisting the rain  
Letting it fall  
Without a trace

... And sudden tears fall...

Life is suffering - A heart lost the fight  
But I neutralize this sentence  
Then everything can be no more than our dance - Then  
at once  
Because of you - Everything will lose it's relevance

Yeah  
I found what s made of pure matter; It will never spoil  
And one can always come back; reassuring me  
HAPPINESS CAN BE achieved through power and  
The best cure has always been victory... VICTORY

Again and again - I languish in vain...
