Yeah, young money, cash money, militia gangs
And they say New York city, bounce
Fuck it, I'm the youngest street nigger, time you ever
know
Never ask something all I knew was mommy wasn't
home
So with niggers stood alone, with the â€¦ by the phone
Watchin Jimmy roll bones, while Jonny roll bones
There's a hommie on my side every time I nigger(?)
home
What the fuck cause when the ... blow to your â€¦ keep
it goin
I'm â€¦ how come niggers â€¦ with the way I sound
stones bloody â€¦
â€¦ I jones, suddenly I phone, â€¦ rest in peace â€¦
â€¦ on my skin tattooed to the fucking N forever
True is definition to me for the frame such a â€¦ hair
â€¦ get and â€¦ of the niggers jump shit
Never sing before they swim fit it for this rap shit
I am hip-hop hymn, ask any of these niggers .. they tell
youâ€¦
Young money with the fuck a stop them see'em, pop
them chop them, drop
them hot
Militia gangs being an option, no considering the
reason she â€¦ drop it
You niggers got a way to talk about you out of way,
niggers sound an oldâ€¦
Talking about they got a lot of â€¦ , you might as well
hate, cause now is
never late
The â€¦ bought to have me like my â€¦ â€¦
They, pussy I expect like a prom date, tell you you're a
disgrace to your
fucking mom face
The things â€¦ that, my bro's in the spot, and my flows
head hands in â€¦
night (?)
You niggers throw subliminals whether you know or
not,
You're lucky if I throw a punch before I throw a shot

I don't spit, I smutch, shit, get the â€¦ , my niggers
used to pot pick ,
now they pickin the pot
My niggers still spot stick still sticking spots
Anytime my niggers think the clock will tiki-toks
Fall back and niggers need to get a spot
I'm not bullshit I'm trying to be biggest pac, watch

I rhyme â€¦ so plane, that's why I get it like a nigger in a
dope game
I'm tied to the â€¦ road chain, that's why I get it like a
nigger in a
dope game X3
