Get your motherfucking chest caved  
On a little heart that your vest saves  
They line me by the best graves  
Freaking nature, I'm a nature freak  
More reason to bring your fucking camp, let's play

I'ma promise not a death thrill  
Haters on my dick, alright, I see em right over my left  
nick  
Bitch, I smoke a mile and a dipped final  
Them lays to the crib iano  
I'm the joker mixed with bane,  
Mixed with xanax mixed with pain  
It's a shame, what mixes pistol venge  
Bands ain't geef, ain't led by his face  
By a rope chain leak  
They recognize his frame by his cold bad salt  
Ass salt, they shot at volts,  
Kingpin/coke, don't get high I catapult  
With a bunch of ...call em students, that don't give a  
flonk  
Living twice, I can say that...blunts

[Hook] x 2  
I don't know my limits,  
I don't give a fuck  
I wanna get fucked up  
I wanna get finished  
I don't know my limits,  
I don't give a fuck  
I wanna get fucked up  
I wanna get finished

Codeine residuin my bottle from yesterday  
I go buy me a sprite to revive, to get high from  
yesterday like  
I take a fast drag, out of gas back  
Hit the cab crash, then the cab crashed  
Zone from out the back spaz  
That's why you always get your ass jacked, jackass  
I don't ski, I gas mask, high as giraffe's ass

I'm lying, a hyena, I'ma laugh last  
Buckle bash brass, knuckle gas mask, on a broll  
My niggas get knock come home, floyd's bodyguards  
Pullin iron, and cars, dump you  
Your bitch out the sun roof and punch you  
Until there's only one truth  
Mumble, humble me not, I'm a ... she left me on the  
stoop  
I did not have a mother  
Chief, split us in different homes, look at my brothers  
I guess all we got is each other  
And manana, the cops got it  
Miss hopscotch son is lobsided  
Got my strange, get you knocked at it  
Ply and get your grave stop potted  
Everything from the machine till it stop shouting

[Hook] x 2  
I don't know my limits,  
I don't give a fuck  
I wanna get fucked up  
I wanna get finished  
I don't know my limits,  
I don't give a fuck  
I wanna get fucked up  
I wanna get finished.
