Yeah!
Getting money, shitting on them at the same damn time
I'm spending money while I get it at the same damn time
Bet your wife and my slut had the same damn time
She on Skype, getting bite at the same damn time
Don't be dumb, think of life at the same damn time
You'll get ... cause we fight at the same damn time
She gets whacked, I get right at the same damn time
She make it clap... at the same damn time
Hit the club with my clique at the same damn time
Don't get drunk with your bitch, at the same damn time
Popping bottles... at the same damn time
Dropping shit like the.. at the same damn time
Rolling ..at the same damn time
She blow me...at the same damn time
Told a ... at the same damn time
Twice more, same year, at the same damn time!
Nigger, I know what you heard, at the same damn time
Nigger, fuck what you've heard at the same damn time!
Gunz!
