Snapback, new jays, her miss, guessed alone
Bad bitch, rolling up, so tight, she whistle chrome
Cop blocking, shop knocking, my hustle, get you on
Can't come out, without a gun around where I'm from
You better get you one
Been bossing, been banging, been flossing, been ...
No license, 50 cent, die trying, to get rich
Fuck a hater, and his girl, or a man, what's the be
Say the word, the blaze will whip your ass in ...degree
Try me though, exercise, stretch your ass, exercise
Stump your ass, double can
Stretch a mattress, extra size
Fuck niggas, nagging bitches
Police chase us, law they missing
Hoe I smoke shit for your system
Making weed, for the symptoms
I'm about to go so retarded, go dumb,
I'm bout to go superb
You click, new ... stupid bitch, super ...

Stacks on deck, track on deck, clap on deck, back on
deck
Liqor, molly and a sack on deck
2 bad bitches and a black on deck

Stacks on deck, stacks on deck, stacks on deck, stacks
on deck
Strap on deck, strap on deck, strap on deck, strap on
deck,
Trap on deck, trap on deck, trap on deck, trap on deck
I'm back on deck, back on deck, back, on deck, back on
deck x 2

All eyes on me, word of pot, capital punishment, word
of pun
I'm ready to die, that's word to...
What the fuck am I talking bout, where's the guns
Y'all know what my greed be, ymcnb
Shout uncle bun b
I pull this for pimp c
Say big fish eat little fish, bitch don't you forget that

Talk all that gun talk bitch
Won't you go get that
Don't risk that, pop shit with no get that
That girl guns with no kick back and that shit...
Like click back, click clack,
Flip your how with that
One even my birthday and she lick that
All I'm stressing is paper, all I'm stressing is chicken
All I'm wanting is this money
You fuck niggas who don't get it
Bust that ass in my law
Taxi back in my condo... bitch not even my mom know
Backwards, swisher dutch, 2 cups ice and that's pronto
When it rain ... wet, you can't catch, now ...

Stacks on deck, stacks on deck, stacks on deck, stacks
on deck
Strap on deck, strap on deck, strap on deck, strap on
deck,
Trap on deck, trap on deck, trap on deck, trap on deck
I'm back on deck, back on deck, back, on deck, back on
deck x 2
