They tell me do it, so Ima do it
Guns, militia, young money, bitch!
You dont even know it, you dont even know it
You dont even know it, what

Bitch Ive been poppin, you dont even know it
You know 50, diddy, jay sum, ...you dont even know it
Id die for wayne, mack maine, those my big bros
And they already know it
Bout to cop a truck, cant drive, cause I aint got a
license
You aint even know it
My baby girl put a foam on my favorite sold, I aint even
pour it
Went to shower for me, what ...loud, I aint even roll it
She ridin with me, get ridey with me, she blow it
I aint even hold it
Get violent with me, she silent
You could get show and you dont even know it
Young money, cash money, hoe
Stomp on the gas, when he flow
Aint nobody fuckin with me, anybody tell you different
Really Ima definitely smash on these hoes
Evidently Im the great, and I be wrecking many niggas
Wreckin and they doing wrecking with me
Im not a recomenddee, a nail left on the knee
And pray death follow me, before I ever let em catch it
with me
Hold up, Im loosing it
And I gotta start over, you dont even know it
These niggas dumb, Im rappin out here on slopes
They dont even know it
Caught a charge but Im going hard
Aint stop nothing you dont even know it
The last single I was on, had millions sold
You aint even know it bitch
Keep street, you already know it
No spam, I get paid for my tweets
And you dont even know it,
You dont even know it
Told yall Ima gonna do it, thats it.
