#### VERSE1:

I believe in nothing more  
Than spending you r life with one foot out the door, of  
an  
Empty apartment, somewhere inside  
Take a step take a breathÂ... open your eyes, and you'll  
see

Somebody's waiting,  
One commiserating,  
How can you see, it's not there anymore.  
Yes or no, how  
do you know?  
It's, not the same as it was beforeÂ...

#### CHORUS:

So,  
Take me away  
To a far away place,  
Tell me a story about right or wrong,  
Take me away  
Put a smile on my face,  
Whoever you are,  
I'll come along,  
I'll come alongÂ...

#### VERSE 2:

Perfect stranger on the street,  
Every person that you meet  
Every word that you here,  
Every smile that you see,  
Every tear that you shed,  
Everything you can beÂ...

How much would you give,  
For that girl in the corner,  
The one with the smile,  
And the stars in her eyesÂ...

She's grown up so slowly,  
Don't think you could own her,  
The stars they aren't hers

And the smile's a disguiseÂ...

CHORUS:

But you can take me away,  
To a far away place,  
Tell me a story about right or wrong.

Take me away,  
Put a smile on my face,  
Whoever you are-  
I'll come alongÂ...  
I'll come alongÂ...

BRIDGE:

Don't think you can tell me anymoreÂ...

CHORUS

Take me away  
To a far away place,  
Tell me a story about right or wrong,  
Take me away  
Put a smile on my face,  
Whoever you are,  
I'll come along,  
I'll come alongÂ...

Take me away  
To a far away place,  
Tell me a story about right or wrong,  
Take me away  
Put a smile on my face,  
Whoever you are,  
Wherever you fromÂ...

Take me away,  
You're not alone,  
Whatever you sayÂ...

I'll come along.

I'll come along

I'll come alongÂ...
