Is it so hard to see part of me is broken?
Well I've got the key but the door wont open
and I, tell my self just to let it go
But I know ahh

Can't feel when my heart is broken
Why's it hurt? 'Cause you don't know
I'm fallin' apart, couldn't see it at the start
These are just tales from another hollow heart

I break down in the middle of nowhere
To find me staring at the sky
A stolen glance is all I ask for
But there's no one there to see me cry

Life goes on I live in circles
I get up and I move on
I'm fallin' apart, couldn't see it at the start
These are just tales from another hollow heart
[Hiyah hiyahha] x2

Life goes on I live in circles
I get up and I move on
I'm fallin' apart, couldn't see it at the start
These are just tales from another hollow heart
