#### Verse 1

For you I'd live my life unspoken  
For you I'd bring my whole world crashing down  
I'd give a thousand moments  
Just to have one more with you around  
They say I live with arms wide open  
They were so right for so long  
Cause now I know where I am home  
If that's not right then I'd rather be wrong

#### Chorus

'Cause I aint fallin I'm just flyin' down  
I aint broken I'm just a little too proud  
I aint fighting this I just don't wanna win  
You're on the outside I'm looking in

#### Verse 2

Tell me something that I haven't heard before  
'Cause I just don't know who I am anymore  
Show me something real  
One more chance to feel  
Like a broken promise tell me  
All those angry words act like fairy tales  
You hate the truth cos it rained when you wanted hail  
Down the barrel of a gun they saw me crawling  
Its haunting me...

#### Chorus

'Cause I aint fallin I'm just flyin' down  
I aint broken I'm just a little too proud  
I aint fighting this I just don't wanna win  
You're on the outside I'm looking in

#### Instrumental Interlude

#### Chorus

'Cause I aint fallin I'm just flyin' down  
I aint broken I'm just a little too proud  
I aint fighting this I just don't wanna win  
You're on the outside I'm looking,  
I'm looking in  
In, in

Yeah eha!
