I see myself  
I am spinning around  
Trapped in a circle  
A journey through time

The years turn away  
How long will I stay?  
The wheels keep on turning  
As fate controls my day

Each movement seems to be  
Controlled by destiny  
Am I lost or am I free?

Time marches on and on

Turns to pass me by  
Never falling  
Always calling  
To decide my destiny

Am I trapped in a dream?  
A never-ending stream  
Of minutes and hours  
A pace too extreme

My life seems confined  
By the hands of time  
Forever and ever  
A never-ending rhyme
