By the blitz of dawn  
The Dragonlord will rise  
To show his blaze  
With anger of the beast

BEWARE! He controls the ones to burn  
In flames without return

Dragon...The Dragonlord  
With his roaring beast (Above)  
Fate and death conspire  
To those who bring him war  
Dragon...The Dragonlord  
Steer the evil beast (Above)  
Wings of steel turns higher  
The choosen burns below  
Ooh! The Dragonlord  
None prevails in sin  
The lord remain as king  
In this scenary  
Evil magic he will bring

BEWARE!...

Dragon...The Dragonlord...

Do or die  
Wings of steel curse the sky  
Stay away  
To avoid a mortal fight

Dragon...The Dragonlord

Evil magic he will bring  
And the magic brings  
Evil magic he will bring  
And the magic brings...Onto THEE!!!
