When we're making love
We transform the lies into blessings
We hold up the sky
Intoxicate lives with a message
Crashing through walls
Like water from the falls
I look to this time
Your delicate eyes
Undress me
Tonight I feel like
Losing my sleep
Loving you slowly
Till daylight can see
Tonight I feel like
Losing my sleep
Loving you slowly
Till daylight can see
Texture is tones
Bringing fire to bones
From caressing
We capture the wind
The oceans within
Have direction
Sometimes I despair
That nothing can compare
Sensitive scenes
Of you loving me
I'm reaching, for you
Tonight I feel like
Losing my sleep
Loving you slowly
Till daylight can see
Tonight I feel like
Losing my sleep
Loving you slowly
Till daylight can see
Tonight I feel like
Losing my sleep
Loving you slowly
Till daylight can see
Tonight I feel like
Losing my sleep

Loving you slowly
Till daylight can see
Tonight I feel like
Losing my sleep
Loving you slowly
Till daylight can see
Tonight I feel like
Losing my sleep
Loving you slowly
Till daylight can see
(Oohhhhh)
