Love me when nobody else can see
Touch my soul then treat me like i am a stranger
This is not the way i want to feel
Should have known a love this strong
Would bring some danger
But i guess it's all in my head
Ill find a way to make it end
Its magic
And it's tragic
(Chorus)
Slingshots whisper
My tears drops unanswered
What am I to you?
Slingshots you forgot
My kisses
Don't miss this
What am i to you?
Shame! how you got me!
Ripping words of my lips
To keep from asking
I fall
When you call
Press my ear against the phone
To hear you lips move
I guess it's all in my head
And in time I'll make amends
OOh it's magic but it's so tragic
I want you so bad...
What's wrong with me?
I want you so bad...
What's wrong with, with you baby!
Love me when nobody else can see
Touch my soul you treat me like a stranger
This is not the way i like to feel
Should have known you love this strong
Would bring some danger
Slingshots whisper
My tear drops unanswered
What am i to you?
Slingshots you forgot
My kisses
Don't miss this

What am i to you, you
Slingshot you forgot
My kisses
Don't miss this
What, am i to you?
