Oh peace and seizing it,
Am i still breathing it?
Oh peace receiving it,
You thought of me when you were bleeding it,
The signs and the sums,
Have left me dumb,
And now I'm just hearing it.

No self respect,
But have a good time,
No self respect.
No self respect,
Yeah, but have a good time,
No self respect.

Oh rest and reaching it,
Is my heart beating it?
Oh rest and teaching it
You thought of me when you were sealing it.
The signs and the sums,
Have left me dumb,
And I'm just hearing it.

No self respect,
But have a good time,
No self respect.
No self respect,
Yeah, but have a good time,
No self respect.

You can have a good time,
Yeah that's alright,
But I won't sell my soul.
I won't sell my soul tonight.

No self respect,
But have a good time,
No self respect.
No self respect,
Yeah, but have a good time,
No self respect.
