A chance on a bright morning
Oh yeah you'll get a chance
A chance the day you set off on a journey
Oh yeah you'll get a chance
Oh yeah

I've seen dreams countless times
I can't give up on them
Whether you're a girl or a boy
It's the same thing

Born on the planet I love,
Meeting the person I love;
Because this path lasts for less than a century,

There will be sadness
And joy;
Become gentle

Oh yes
Come to love all humans
Life is one time
Good fortune comes to the homes of those who smile
Life is one time

Like an infant crying
So that it may live,
Have a freshly born
Pure heart

A chance on a bright morning
Oh yeah you'll get a chance
A chance the day you set off on a journey
Oh yeah you'll get a chance
Oh yeah

I've tripped over love countless times
But surely I'll always stand back up
Whether you're a great adult or a beginner,
It's the same thing

When I fell in love for the first time,

I didn't know what I should do
I listened to song with the volume cranked up

Because they're
People you can't stand,
They're important

Oh yes
Live positively
Life is one time
People gather around those who smile
Life is one time

Today, tomorrow, and each day,
They're all 24 hours
Anyone is enveloped in
The morning sun

Come to love all humans
Life is one time
Good fortune comes to the homes of those who smile
Life is one time

Like an infant crying
So that it may live,
Have a freshly born
Pure heart

Live positively
Life is one time
People gather around those who smile
Life is "Oh yeah, one time"

Today, tomorrow, and each day,
They're all 24 hours
Anyone is enveloped in
The morning sun

A chance on a bright morning
Oh yeah you'll get a chance
A chance the day you set off on a journey
Oh yeah you'll get a chance
Oh yeah
