I gotta find out  
I don't see you around  
No more

But sir, don't forget  
You'll stop your address  
You'll fall  
Through the floor

Did you get our calls?  
You still punching walls?  
I don't see you round  
No more

By and by it's gone  
But not if you rewind it

By and by it's gone  
But not if you rewind it

They said they'd seen you  
You weren't acting so tough

What happened to your car?  
I heard you drove real far  
And just left,  
All your stuff

And that you ran right back  
And took off.  
You flew over  
The rest of us

By and by it's gone  
But not if you rewind it

By and by it's gone  
But not if you rewind it

And are you still punching walls?  
You always seem to be where the rock falls
