Got style
I got the stereo on
Hot child
Out the door and I'm gone

Hey!

I dance hard
I hit the floor like a bomb
Don't get me started
You know they're playing my song

And it feels so good
Just watch my bitches go
We'll dance like we're getting old
Gonna e-e-explode
All you boys and girls should know
To watch my bitches go

I'm on fire
There's no cooling me down
Just admire
I'm not fucking around
Dark lights
The walls drip with the sound
I'm like a magnet electrifying the ground

And it feels so good
Just let my bitches go
We dance like we're getting old
Gonna hear head's explode
All you broads and dudes should know
Just let me bitches go!

And it feels so good
Just watch my bitches go
We'll dance like we're getting old
Gonna e-e-explode
All you boys and girls should know
To watch my bitches go

We'll dance like we're getting old
Gonna e-e-explode
All you boys and girls should know
To watch my bitches go
