To you
To you
To you
To you
To you

What's your name?
Where's your mommy?
Cause you look like a baby to me.
What you do for a good time?
Would you do anything I please?

And you told yourself to look the other way
What's a lonely boy to do?
You're so hot tonight
I'm giving it,
I'm giving it up
Your toes crossed the line

Wanna go
Back to my place
Maybe do a shot of Mystique?
Keep it low
Cause my roommate
She listens up for every squeak

So get closer now
Let me show ya how
Show ya how to be discreet
You can crawl
Up my staircase
And we can dirty up the sheets (let's go)

And you told yourself to look the other way
What's a lonely boy to do?
You're so hot tonight
I'm giving it,
I'm giving it up

You're so hot tonight
I'm giving it,

I'm giving it up
Your toes crossed the line, come on!

Oh, I see him looking me over
I must be getting my way
I must be getting my way

You're so hot tonight
I'm giving it
I'm giving it up

You're so hot tonight
I'm giving it
I'm giving it up

Your toes crossed the line
I'm giving it
I'm giving it up

You're so hot tonight
I'm giving it
I'm giving it up

Your toes crossed the line
I'm giving it
I'm giving it up
