Don't you run don't you hurry don't you worry don't you cry,

It's another day with morning wood as the sunlights up the sky.

Another day of promises, it's another day of love.

It's another day with morning wood cause it's you I'm thinkin' of.

The sun shines on the meadow and the sun shines on the bay,

It's beautiful in morning wood, every single day.

The sun shine is inside of us, it's inside of you and me.

It's beautiful in morning wood come along and you will see.

Another day in morning wood,

Another day's begun.

Another day with morning wood,

Come on everyone!

Don't you run don't you hurry don't you worry don't you cry,

It's another day with morning wood as the sun lights up the sky,

Another day of promises, another day of love.

It's another day in morning wood and it's you I'm thinkin' of.

It's another day in morning wood and it's you I'm thinkin' of.

I'll start another day with morning wood cause it's you I'm thinkin' of.
