Open up my eyes and I'm over a golden plane  
Somehow I'm flying but why I can't explain  
I was always hoping that I would have this dream again  
I wish I could get high but still I can't complain

Hey, this is strange  
And as I split the skies  
I wonder why  
I wonder why  
I wonder

Open up my eyes and I'm by a silver stream  
Something isn't right but it isn't what it seems  
I see what I might if it could be in a dream  
Why'd the snobby little elf have to be so mean?

Hey, this is strange  
And as a elf replied  
I wonder why  
I wonder why  
I wonder

Hey, something's changed  
I can't believe my eyes  
I wonder why  
I wonder why  
I wonder

Hey, this is strange  
And as I split the skies  
I wonder why  
I wonder why  
I wonder

Open up my eyes and I find myself on stage  
Something wasn't right but what I couldn't gauge  
I tried to stop the song but the music went on playing  
Couldn't start the show and I cried 'cause no one  
stayed

Hey, this is strange

And as I run outside  
I wonder why  
I wonder why  
I wonder

Hey, something's changed  
And as I split the skies  
I wonder why  
I wonder why  
I wonder

Hey, this is strange  
And as I run outside  
I wonder why  
I wonder why  
I wonder

I wonder why  
I wonder  
I wonder why  
I wonder
