We're caught and up
It's Monday morning
Haters watch out
We're on defense
It's on again
Cause that's how we do

Let's infiltrate
Let's burn the stage
We're at the gate with nothing to lose

Get out, get out
Gotta get out of here
Come on, come on
Cause it's getting severe
We've butched around
But now we're leaving
And we're gonna live the teen age

Let's all meet up
It's after midnight
Young punks are waiting in the dark
There's a spark
Then we're on the run

Let's infiltrate
Let's burn the stage
We're at the gate with nothing to lose

Get out, get out
Gotta get out of here
Come on, come on
Cause it's getting severe
We fought the law
But didn't mean it
And we're gonna live the teen age

Get out, get out
Gotta get out of here
Come on, come on
Cause it's getting severe

We fucked it up
Shit hit the ceiling
We were living in a teen age

Get out, get out
Gotta get out of here
Come on, come on
Cause it's getting severe
We're growing up
But now we're leaving
We were living in a teen age
