Did you hear
what the preacher said, boy?
poseidon
let your waters
tremble over my head
take cover!
ocean hands
take all the innocence
away from us now
we're just short of the shore!
sh-sh-sh-short of the shore now!
sand packed deep
underneath your fingernails
go ahead
dig deeper!
it seems like
hope is buried right beneath
the ship's still sinking
we're just short of the shore!
sh-sh-sh-short of the shore now!
let's all go to the ocean
and
let's all drown ourselves
tonight
you're just short of the shore!
sh-sh-sh-short of the shore now!
watch the water!
