"All Wrong"

She had black hair like ravens crawling over her
shoulders
All the way down
She had a smile that swerved
She had a smile that curved
She had a smile that served all over the road
It's all wrong all wrong
All wrong all wrong
She had a way of making people feel good to be
around her
As it should be
It's all wrong all wrong
All wrong all wrong (x2)
All wrong
And when she laughs I travel back in time
Something flips the switch and I collapse inside
It's all wrong all wrong
All wrong all wrong (x2)
All wrong
