On 06/06/66 I was little I didn't know shit
About 07/07/77 eleven years later still don't know any
better
By 08/08/88 it's way to late for me to change and
By 09/09/99 I hope I'm sitting on the back porch
drinking red wine singing
Oh french fries with pepper (x2)

Oh french fries with pepper (x4)
