(Sandman)  
Mm Yea Yea Mm  
Whatever you confess  
The feelings you express  
No matter how you dress  
You're different from the rest  
The way you live your life (x2)  
You are the only one who thinks like you  
You are the only one who dreams like you  
You are the only one the only one  
Behind the bluest flame  
They'll never guess your game  
Your version of success  
Is different from the rest  
And the way you live your life  
The way you live your life  
You are the only one who thinks like you  
You are the only one who dreams like you  
You are the only one the only one  
Mm Yea Yea Mm  
You are the only one (x6)
