(Sandman)
On my first day back my first day back in town
My first day my first day back in town
The clouds up above they were humming our song
Humming humming our song
My biggest fear is if I let you go
You'll come and get me in my sleep
My biggest fear is if I let you go
You'll come and get me in my sleep
Come and get me
I set my course sailed away from shore
Steady steady as she goes
I crash in the night two worlds collide
But when two worlds collide no one survives no one
survives and
The reddest of reds the bluest of blues
The saddest of songs I'll sing for you and
My biggest fear is if I let you go
You'll come and get me in my sleep
My biggest fear is if I let you go
You'll come and get me in my sleep
Come and get me come and get me in my sleep(x2)
