(CHORUS)

Call me and let me
Hear you call me
Let me be your loving man
You have to call my name

And call me
And let me hear your lips say
You're my sweet loving man

(CHORUS)

And call me
And let me feel your lips say
You're my sweet loving man

Whenever you want me
I'll be around to you
Whenever you need me
I'll be at your
Side to love you

Whenever you see me
Whenever you touch me
You know I'm in love
And all I want is you

So let me hear you
(CHORUS)

And call me
And let me feel your lips say
You're my sweet loving man

Whenever you want me
I'll be around to you
Whenever you need me
I'll be at your
Side to love you

Whenever you see me
Whenever you touch me

You know I'm in love
And all I want is you

La la la la...

You're my sweet loving man

La la la la...

You're my sweet loving man
