Trapped at 1st glance
i did the double take
a victim without chance
pulled in by the bait

when i caught the fishnets
black pantyhose
big legs
showin through the holes
fishnets black pantyhose
shes out 2 catch u
with those big black pantyhose

closer i cant c
these drawers i could not pass
she turned toward me
things were movin kinda fast
kinda fast

when i caught the fishnets
black pantyhose
big legs
showin through the holes
fishnets black pantyhose
shes out 2 catch u
with those big black pantyhose

fishnets black pantyhose
showing everything 4rom her head down 2 her toes
fishnets black pantyhose
now im the catch
anything goes

you know i always wondered
what it'd feel like 2 b hunted
kinda makes u feel
like a fish in the sea

but the way ur lookin
in those fishnets mama
u could trap me

fishnets black pantyhose
fishnets black pantyhose

fishnets big legs
fishnets black pantyhose

ah this is gonna b serious
but i must remember
my own famous words
look at this big legged woman wondering
what 2 do
u can do almost anything
just don't lose ur cool fishnet
