We are young, we are free on earth together. Let's fall
in love

You are fine, you are white, I am of color. Let's fall in
love

Ice cream castles in the summertime
Ice cream castles in the summer

I want you, you want me, we want each other. Is that so
wrong?

It's raining. Mad sisters, why can't they realize, that it
won't be long?

We're all ice cream castles in the summertime
Ice cream castles in the summer
Let's do something soon

We are young, we are free. Let's come together before
the end

I am blue, you are too, what could be better? Let's
make friends

We're all ice cream castles in the summertime
Ice cream castles in the summertime
We're all ice cream castles in the sun
Ice cream castles when we fall
Ice cream castles in the summertime
Summertime, summertime, summertime

Is that what you need?
White girls, black girls, orientals, jamaican?

Ice cream castles in the summertime
We're all ice cream castles in the sun
Ice cream castles when we fall
Ice cream castles in the summertime
Summertime

White girls, black girls, orientals, jamaican
I want you, you want me, we want each other

White girls, black girls

We are young, we are free on earth together

Let's do something, let's do something soon

We are young, we are free. Let's come together
