At last I am born
Historians notes
I am finally born

I once used to chase
Affection withdrawn
But now I just sit back and yawn
Because I am born, born, born

Look at me now from difficult child
To spectral hand to Claude Brasseur
Blah, blah, blah

At last I am born
Vulgarians know
I am finally born

I once thought that
Time accentuates despair
But now I don't actually care
Because I am born, born, born

Look at me now from difficult child
To spectral hand to Claude Brasseur
Blah, blah, blah

At last I am born
At last I am born
Leaving the one true free life born

I once thought that I
Had numerous reasons to cry
And I did, but I don't anymore
Because I am born, born, born

At last I am born
At last I am born
It took me a long, long time
But now I am born

I once was a mess
Of guilt because of the flesh

It's remarkable what you can learn
Once you are born, born, born

Born, born, born
Born, born, born
