Girlfriend in a coma
I know, I know
It's serious
Girlfriend in a coma
I know, I know
It's really serious

There were times
When I could have
Murdered her
But you know
I would hate anything
To happen to her
No I don't want
To see her

Do you really think
She'll pull through?
Do you really think
She'll pull through?
Oh

Girlfriend in a coma
I know, I know
It's serious
By, by, by, by
By, by, baby, goodbye
There were times
When I could have
Strangled her
But you know
I would hate anything
To happen to her
Would you please
Let me see her

Do you really think
She'll pull through?
Do you really think
She'll pull through?
Oh

Let me whisper
My last goodbyes
I know
It's serious
