I was a good kid  
I wouldn't do you no harm  
I was a nice kid  
With a nice paper-round  
Forgive me any pain  
I may have brung to you  
With God's help I know  
I'll always be near to you

But Jesus hurt me  
When He deserted me, but

I have forgiven Jesus  
For all the desire he placed in me  
When there's nothing I can do with this desire

I was good kid  
Through hail and snow  
I'd go just to moon you  
I carried my heart in my hand  
Do you understand?  
Do you understand?

But Jesus hurt me  
When He deserted me, but

I have forgiven Jesus  
For all of the love he placed in me  
When there's no one I can turn to with this love

Monday, humiliation, Tuesday, suffocation  
Wednesday, condescension, Thursday is pathetic  
By Friday, life has killed me  
By Friday, life has killed me

Why did you give me so much desire?  
When there is nowhere I can go  
To offload this desire?  
And why did you give me so much love  
In a loveless world?  
When there is no one I can turn to  
To unlock all this love

And why did you stick me in  
Self-deprecating bones and skin?  
Jesus, do you hate me?  
Why did you stick me in  
Self-deprecating bones and skin?  
Do you hate me?  
Do you hate me?  
Do you hate me?  
...
