Armed with wealth
And the best of health
In the future when all's well
I will lie down and be counted
In the future when all's well

Ooo
I thank you
I thank you with all of my heart
I thank you
I thank you with all of my heart

Lee, please, stand up and defend me
In the future when all's well
Confront what you are afraid of
In the future when all's well

Everyday I play a sad game called
In the future when all's well
Living longer than I had intended
Something must have gone right

Ooo
I thank you
I thank you with all of my heart
I thank you
I thank you with all of my heart

Lee, please, stand up and defend me
In the future when all's well
Confront what you are afraid of
In the future when all's well

Hold me closely
If your will allows it
In the future when all's well
Paired-off
Pawed till I can barely stand it
The future is ended by the long long sleep
The future is ended by a long long sleep
The future is ended by a long sleep
