Jet trails in the sky
Leave one word behind
A hand bangs into sand a name
And we all understand

Everybody's lost
But they're pretending they're not
Lost
Oh, lost
Jet trails in the sky
Leave one thought behind
A hand bangs into sand a name
And we all understand
Everybody's lost
But they're pretending they're not
Lost
Oh, lost
So if I see you
And I tell you
How I've watched you
I'm just lost
So if I see you
And I tell you
I've watched you
Don't make fun of me later
Cause I'm just lost
If I see you
And I tell you
How I've watched you
Don't make fun of me later
Cause I'm just lost
If I see you
And I tell you
How I've watched you
Don't make fun of me later
Cause I'm just lost
Lost lost lost lost lost lost
