Aah ...  
Come on to my house  
Come on and do something new  
I know you love one person so  
Why can't you love two ?

[illegible]

Love  
Aah ...  
I know you love  
I know you love  
I know you love  
I know you love  
Oh, I know you love  
I know you love  
I know you love  
Aah ...  
Love  
Love  
Oh, love  
Love  
Aah ...  
Oh, I know you love  
Oh, I know you love  
Oh, I know you love  
I know you love  
I know you love  
Aah ...  
Oh, I know you love  
I know you love  
I know you love  
Aah ...  
I know you love  
Come on to my house  
Aah ...
