Good times for a change

See, the luck I've had

Can make a good man

Turn bad

So please, please, please

Let me, let me, let me

Let me get what I want

This time

Haven't had a dream

In a long time

See, the life I've had

Can make a good man

Turn bad

So for once in my life

Let me get what I want

Lord knows

It would be the first time

Lord knows

It would be the first time
