Learn to love me, assemble the ways  
Now, today, tomorrow and always  
My only weakness is a list of crime  
My only weakness is well, never mind, never mind

Oh, shoplifters of the world  
Unite and take over  
Shoplifters of the world  
Hand it over, hand it over, hand it over

Learn to love me, assemble the ways  
Now, today, tomorrow and always  
My only weakness is a list of crimes  
But last night the plans of a future war was all I saw on  
channel four

Shoplifters of the world  
Unite and take over  
Shoplifters of the world  
Hand it over, hand it over, hand it over

A heartless hand on my shoulder, a push and it's over  
Alabaster crashes down, six months is a long time  
I tried living in the real world instead of a shell  
But before I began, I was bored before I even began

Shoplifters of the world  
Unite and take over  
Shoplifters of the world  
Unite and take over  
Shoplifters of the world  
Unite and take over  
Shoplifters of the world  
Take over
