Tomorrow

Will it really come ?

And if it does come

Will I still be human ?

All I ask of you is one thing that you never do

Would you put your arms around me ?

(I won't tell anyone)

Tomorrow

Does it have to come ?

All I ask of you is one thing that you'll never do

Would you put your arms around me ?

(I won't tell anybody)

Tomorrow

And what must come before ...

Oh, the pain in my arms

Oh, the pain in my legs

Ooh, my shiftless body

Tomorrow

It's surely nearer now ?

You don't think I'll make it

I never said I wanted to !

Well did I ?

Oh, the pain in my arms

Oh, the pain in my legs

Oh, yeah; oh, yeah

No, yeah; no, yeah

Through my shiftless body

Tomorrow

Tomorrow

All I ask of you ... oh ...

Is : would you tell me that you love me

Tell me, tell me that you love me

Tell me, tell me that you love me

Tell me that you love me !

Ah, I know you don't mean it

Ah, I know you don't mean it

Tell me, tell me that you love me

Tell me, tell me that you love me

Tell me, oh, tell me, oh

Tell me, oh, tell me, oh, tell me, oh

Tell me, oh, tell me, oh
