Pasolini is me  
Â´AccattoneÂ´ youÂ´ll be  
I entered nothing and nothing entered me  
Â´Til you came with the key  
And you did your best but

As I live and breathe  
You have killed me  
You have killed me  
Yes I walk around somehow  
But you have killed me  
You have killed me

Piazza Cavour, whatÂ´'s my life for?

Visconti is me  
Magnani youÂ´ll never be  
I entered nothing and nothing entered me  
Â´Til you came with the key  
And you did your best but

As I live and breathe  
You have killed me  
You have killed me  
Yes, I walk around somehow  
But you have killed me  
You have killed me

Who am I that I come to be here?..

As I live and breathe  
You have killed me  
You have killed me  
Yes I walk around somehow  
But you have killed me  
You have killed me

And there is no point saying this again  
There is no point saying this again  
But I forgive you, I forgive you  
Always I do forgive you
