

Mortal "Cryptic"

People aching desperate streets walking no ghosts
here reality
Concrete raining merciless bitter
Taste feel the chill agony fire no attempt scratch the
earth above
The earth life struggle across the tower
Outside the structure grotesque no crime no
vindication doomed to
Fate under thunder skies open you wait for
P e a c e
H o p e
L o v e
J e s u s c h r i s t
Chosen futile no response from the masses enigma
faceless
Thousand destiny twisted speeding the process
Prisoners of a genetic disorder eyes so bright in the
shadows
Fearing tomorrow when sunlight can kill but they have
love
Millions of people walk the cracks in the streets where
we live why
Can't we give something they're dying for
