"lift your voices
Lift your holy hands
Lift your praises high
Lift them up in the name of the author of love
Time - bending, everlasting
Almighty God from age to age
Beginning and ending
One God worthy to be praised!
God is love
Love is God
And He's invincible
Lift your troubled soul
Lift your weary eyes
Lift your broken life
Lift them up in the name of the auther of faith
Effecting and causing
Almighty Lord of time and space
Who was and is and is to come
On Love worthy to be praised!"
