I've lost your love, your trust is gone  
I've lost the one and now I'll be alone  
Hope is dying 'cause you leave me in the dark

I do regret my sins, my lies  
I do atone, I've died a thousand times  
You're my goddess 'cause your love was so divine  
(Give me a sign)

I can't smile without you  
The world is sour without you  
And I've asked myself how could I let you go

Only time can tell  
If you'll be mine, again

Life is senseless without you  
I'm so defenseless without you  
And I've asked myself how could I let you go

Only time can tell  
If you'll be mine, again  
Only time can tell  
If you'll be mine, again, again, again, again

Will I see your face again  
Will I see your grace again  
Will I feel your kindness on me, time can tell

Only time can tell  
If you'll be mine, again  
Only time can tell  
If you'll be mine, again

Will I see your face again  
Will I see your grace again  
Will I feel your kindness on me, time can tell

Only time can tell  
If you'll be mine, again  
Only time can tell  
If you'll be mine, again
