Title: Walk back home

Stop me, stop me if i get wild
you know I get crazy sometimes
tie me, tie me up
keep me out of sight
It wasn't very nice last time

Oh oh
I don't wanna know
let's just go
this party's no fun
let's just leave
and walk back home

Walk all over me
If I can't keep you out of misery
you deserve so much more
don't be so naive
and never give me the benefit
of the doubt
Keep getting into trouble
and you get me out

Oh oh
I don't wanna know
let's just go
this party's no fun
let's just leave
and walk back home

Walk all over me
If I can't keep you out of misery
you deserve so much more
don't be so naive
and never give me the benefit
of the doubt
Keep getting into trouble
and you get me out
