My Woman  
So lonely  
My woman  
So fine

My flower  
Don't worry  
You will shine

A marriage  
The secret  
The shadows behind

Pianos are playing  
Summer Time

But as long as your hero's  
in the movies  
And the turtle is safe  
In the Caribbean Sea

While the power of nations  
Set the rules  
Still I have got no one lying next to me

Red carpets  
No windows  
She longs to escape  
Her secret  
Against Fairy tales

But as long as your hero's  
in the movies  
And the turtle is safe  
In the Caribbean Sea

While the power of nations  
Set the rules  
Still there is no one lying next to me

And the turtle is safe

In the Caribbean sea  
While the power of nations  
Make the rules  
Still there is no one lying next to me  
I have got none lying next to me

Still there is no one lying next to me.
