I must have kept a burning truth
To fight against my heart
I looked out in that night for You
Looked out in that night
God and His Son apart

And every dream is far too sweet
I let them all come down
I do not know that we will meet
Do not know that now
Before I'm coming home

Send me, God
Send me an angel
Send me a sign
Send me, God

And all these things my hands will touch
Outside the name of love
Out here where nothing is too much
And people pray in gloves

Send me, God
Send me Your angel
Wouldn't You send me a sign?
Send me, God
Send me Your angel tonight

I must have kept a burning truth
To fight against my heart
I looked out in that night for You
Looked out in that night

Send me, God
Send me Your angel
Wouldn't You send me a sign?
Send me, God

Send me, God
Wouldn't You send me a sign?
Send me an angel
Send me a sign

Send me, God
Send me, God
