[Lyrics and, Music: J. Alanis]

Screams and cries I hear  
From this rancid world  
The virgin is infested  
By pollution and twisted thoughts  
While the wise seeks below  
Religion fall no slow  
Suffering the pain  
As your blood is turned to shit

Sickening...  
...Sickish disease

Babies borning with the sword inside  
Their infested fathers now they must die  
Bastard Pope he lies in his world  
He loves the gay, lesbian and whore

Walk with care cause you can die  
Satan's whore is free for your soul  
You fuck her body the virus inside  
Soon your life decay and die

Insanity beget insanity  
As evil beget evil  
As pain beget pain  
As pest beget pest  
As sickish beget death  
As your death beget pleasure!

Quest for sanity  
Insanity beget insanity  
Infamous game of death  
They must die again  
While the wise seeks below  
Religion fall no slow  
Suffering the pain  
As your blood is turned to shit

Sickening...  
...Sickish disease
